- Complete car has less than 500 miles on it since restoration.

Car has been in Las Vegas, Nevada since it was new. Vehicle originally came from Fairway Chevrolet in 1967. Car had been sitting since 1970 and had not been driven on the street until 2006 when we purchased the car and did a ground up restoration.

The car has been in numerous car shows since it has been completed and has won various awards.

Will consider **some trades and cash.**

\$38,500
